SARATOGA MEETING ENDS

NEW YORK RACING SEASON OF 1913 BROUGHT TO AUSPICIOUS CLOSE.

G. M. Miller and Bradley's Choice Win Chief Races of Closing Day and E. R. Bradley Refuses Offer of $15,000 from J. Livingston for Latter.

Saratoga, N. Y., September 1.—This was getaway day here and also marked the end of racing in this state for the year with the exception of the hunt meetings that will be held around New York in the fall. Five of today's races were handicaps and the other was a selling affair for two-year-olds. Good fields went to the post in each race and there were some interesting contests. The Labor Day Handicap was the principal feature and it was won by G. M. Miller, which ran in second place to the stretch, then went to the front to score easily.

The Holiday Handicap, for two-year-olds, went to Bradley's Choice, which led all the way, but had to do his best at the end. After this race Mose Goldblatt, representing Jefferson Livingston, offered E. R. Bradley, owner of Bradley's Choice, $15,000 for the colt, but this was refused, as $20,000 is asked for the youngster. Mr. Bradley gave Goldblatt until this evening to accept. It is likely that the Livingston stable will be shipped to Charleston at the end of the racing season in Kentucky.

The matter in regard to jockey Johnny McTaggart's pending transfer has not been settled as yet. J. L. Holland today asked Hugh Penny to allow him to have the boy for the meetings in the vicinity of Baltimore, while the Quincy Stable also put in a bid for the boy's services there. It is likely that Mr. Holland will get first call for those meetings in case his contract is not sold to August Belmont or Jefferson Livingston.

Jockey Rightmire, who was injured a short time ago by getting a bad fall while riding Golden Chimes, returned to the saddle today.

After Lady Irma had been auctioned off this afternoon, she was resold to J. L. Holland, who will retire her to the stud.

The Hopeful Stakes of $5,000, the United States, the Grand Union Hotel and the Spinaway Stakes, the last named three having $1,000 added, were announced today for next year's racing. Entries will close on September 20.

A foreclosure sale of the property of the Brighton Beach Racing Association, including the Brighton Beach race track, the Parkway Baths, four lots on Ocean Parkway and a strip of land at the west end of Sheepshead Bay, was held at New York last week to satisfy a blanket mortgage of $900,000 on the property held by the Title Guarantee and Trust Company, given in September, 1909. The property brought about $80,000 over the mortgages.

Mike Hagan, well known racing man in the Guttenburg days, is lying ill in the Saratoga Infirmary. He owned the horse Tammany Hall, which gathered many a purse for him.

Before the races began today there was an important sale of horses in training in the paddock before a large crowd. The string of Frank J. Nolan, who races under the name of the Beverwyck Stable, was sold, as he intends to retire from racing for a few years, while the stable of Andrew Miller and Thomas Monahan were sold to dissolve a partnership. Bidding was spirited whenever a good performer was offered. Andrew Miller bought in the two best when he gave $5,000 for Roamer and $4,100 for Undaunted. That once good race horse, Sir John Johnson, as well as Colonel Holloway and Aldrian, in the Beverwyck lot, failed to secure a bid and were passed: The summary of the sale follows:

MORE ARRIVALS AT LEXINGTON.

Lexington, Ky., September 1.—Captain P. M. Walker's string of eight horses, including Bard of Hope, Isidora and Oakhurst, arrived at the Kentucky Association course this morning from Saratoga. In the same car T. C. McDowell sent Watermelon and Aristocrat.

The horses of C. W. Gasser and F. M. Hopper, eight in number and including Ave, Holberg, Baltonia, Rake and Chanticlor, arrived from Mineral Springs.

Green B. Morris is here and his racers Kiva and Silver Tone are due tonight.

TIMELY GOSSIP FROM KENTUCKY.

Horses Continue to Arrive at Louisville from Various Points—Kentucky Endurance Nominations Due.

Louisville, Ky., September 1.—Little Nephew, fresh from his brilliant victories at Saratoga in the Adirondack Handicap and the Sanford Memorial Stakes, is expected to arrive here for the local fall racing season early this week. The gelding would be on the scene now but for the fact that his trainer Elza Jones, having in charge only two horses, has been waiting to get accommodations in one of the cars in which another owner will ship. On Saturday, however, M. B. Gruber, owner of Little Nephew, wired Jones to wait no longer, but to come at once.

Manager John Hachmeister of Douglas Park has received application for stable room at that track for F. D. Weir's big band of racers, in which is included H. C. Applegate's great juvenile, Old Rosebud. The Weir string will arrive this week and before many days this pair of juvenile cracks will be stabled at Churchill Downs and Douglas Park in readiness for the meeting which will open at Douglas Park on Tuesday, September 23, and continue for eleven racing days until Saturday, October 4, to be followed with a ten-days meeting at the Downs, beginning on Wednesday, October 8.

John McClernand's racers, Higher Up, Miss Barn Harbor and Brandoline have arrived from Mineral Springs, at Porter, Ind. They are at Churchill Downs. McClernand said that the difficulty in getting cars is delaying horsemen in shipping here from the Indiana course. He expects some 100 horses to be sent from Porter.

If Gabric, a four-year-old maiden in the stable of James Griffin at Douglas Park, proves as good as he promises, he will have a most interesting history. For the last two years he has been in service as a plow horse at the Illinois farm of J. S. McCullough, his breeder. Griffin had him in training as a two-year-old, but the gelding met with several mishaps at that age and was turned out. He is now of better than average appearance. He is a black in color and no better bred performer is in training here. Gabric is by Nasturtium—Obscurity, by Kingston, while his granddam is the dam of that successful sire and noted racer, Peep o'Day. Griffin not only thinks that he is sure to win, but he has hopes that he will be a top-notch selling plater. Gabric's work with the plow evidently was beneficial to his legs and feet.

Two of the yearlings that trainer George Ham has in charge for William Gerst at Churchill Downs are Tennessee-bred. One, a bay colt, is out of the great race mare, Colloquy., and is her first foal. He is by Ivan the Terrible, sire of Little Father, Hodge and other good performers. The other is a chestnut colt by Yoric—Gowaner, by Ormicant. The colt out of Colloquy is a bit under-sized, but seems to have considerable quality.

Dr. C. Cann has been working on Pinhooker's teeth and, like trainer C. W. Carroll, who has Steimle & Hofgersang's gelding in charge, thinks that this seven-year-old performer may be a factor in the $15,000 Kentucky Endurance Stakes, four miles, to be run on the opening day of the fall meeting at Churchill Downs on October 8. Except for mouth trouble, Pinhooker is doing well.

C. B. Reid, famous as the trainer of The Picket, winner of the American Derby and Brooklyn Handicap, has applied to Secretary Lyman H. Davis for stall room for two horses. He will ship here the three-year-old maiden, Santander, a bay gelding by Santon out of Cappodocia, by St. George. The other member of the Reid stable will be a yearling colt by that good race horse, Ben Trovato, and the first of that performer's get.

M. J. Winn, now manager of more race tracks than any man in America, being at the head of the Laurel track in Maryland, Churchill Downs here and the Jockey Club Juarez in Mexico, will be here tomorrow to look after the fall meeting at the Downs. Manager Hachmeister of Douglas Park and Latonia, will also arrive tomorrow and open the track office at Douglas Park. His assistant, Frank Bruen, will likewise be here early this week. Secretary Maginn will be on hand at Douglas Park by next Saturday.

Naming of the entries for the $15,000 Kentucky Endurance Stakes will close September 6. Each of the twenty subscribers has the right to name three horses, only one of which can start. A number of the subscribers have already named their entries, but several of them doubtless will add a horse to the list, some so far having named only one and others two horses. As soon as these entries are in the New Louisville Jockey Club will issue the program book for the coming meeting. Proof has been read upon the Douglas Park book and that pamphlet will be ready for distribution early next week.

Mose Goldblatt has applied at Douglas Park for stable room for J. Livingston's big string of horses, which include such performers as Prince Eugene, Foundation, Iron Mask, Princess Callaway, Locomotion, Ironwood, Florin, Ballyshe, Joe Nolan and Hyki. Among the maiden two-year-olds in the Livington string are three youngsters bred by A. B. Cella, and raised on the farm of C. F. Crowley at Allentown, Mo. They are by Mintour, out of the noted race mares, Miss Strome, Rustle and La Sorciere. Livingston now ranks as a representative in the turf world from Cincinnati, as did the late Charles Fleischmann in his day, and the theatrical manager, H. M. Ziegler, in more recent years. His investment in a racing stable so far totals close to $100,000. All of the horses he owns have been acquired since he purchased Ballyshe from E. R. Bradley at Churchill Downs last spring.

There will be quite a program of running races in connection with the Kentucky State Fair this fall during the week of September 15-20, preceding the Douglas Park meeting. Each day there will be one running race with the exception of Friday and Saturday, when two will be run. Some of the purses carry $125 values. The feature race is the Gentlemen's Cup, to be decided on Saturday, the final day. The rider of the winner will receive a beautiful silver trophy.

Trainer C. W. Carroll, who has charge of A. B. Spreckels' big racing establishment at Churchill Downs, will let jockey C. Kirschbaum go to Lexington for the fall meeting which begins there September 11. Kirschbaum has been resting since the summer meeting at Latonia.

M. B. Gruber's crack yearling by McGee—Gun Rod, by Mirthful, was the only horse breezed in fast time at the local tracks on Sunday. He went a quarter in :25⅖, running the first sixteenth in :06⅗, the eighth in :12⅖ and three-sixteenths in :18⅖. He was under double wraps all through the trial.

A number of horses worked impressively at Douglas Park Saturday, the most talked-about trials being by Lew Marion's Prince Hermis and Weber & Ward's Solar Star, both of which are eligibles to the $3,500 Douglas Park Inaugural Handicap. Prince Hermis went three-quarters, handily, in 1:17, running the first half in :50⅕, while Solar Star went the same distance in 1:17⅕ and a mile in 1:45, pulled up. Both acted as if they could have run much faster. The fastest work of the day at Douglas Park was done by Verena, a stable companion of Prince Hermis, which three-year-old went five furlongs in 1:02. Boston Belle and Chattermiss, maiden two-year-olds, worked together a half in 50, running the first three furlongs in :36⅘.

Many horses were breezed at Churchill Downs, but most of them were held in by their riders to about a two-minute clip. The fastest work of the morning was by the two-year-old Colfax, owned by

RUSHING WORK AT DORVAL.

New Mile Track at Montreal Will Be Completed Within a Week or So.

Montreal, Que., September 1.—That the new plant of the Dorval Jockey Club will be ready for the inaugural meeting, which will be held from Monday, September 15 to Saturday, September 20, is now assured. The work on the plant has progressed more rapidly than even the management anticipated, so that within a week or ten days at the latest the place will be in condition to race over. The buildings are being rushed along so that they will be completed within two weeks. There are now nearly two hundred stables completed, while over a hundred more are under course of construction.

The work on the stand, paddock and betting ring is being hustled along. All that remains to do to the stand is the roofing, while the ring has only to be roofed and floored. The track is even now ready to race over and is in fairly good condition. It promises to be remarkably fast for a new course and is well drained by a six-foot ditch on the inside. The railroads will commence work at once on building their sidings and platform for the accommodation of the public and the horsemen. Both the Grand Trunk and Canadian Pacific Railroads will build sidings so as to enable them to run the racing specials directly into the course, which is on the main line of both roads.

When completed Dorval Park will be second to none on the Canadian circuit. No attempt will be made to build a steeplechase course this season, but one will be built after the meeting so that it will have a chance to settle and be ready for the spring meeting of 1914. As the plant can be reached by both railroads a fifteen minutes service is promised during meeting and on other days it can be reached in a little over twenty minutes by regular trains.

The program book of the meeting has already reached the horsemen and has met with general approval. Racing Secretary Clarke reports that on his visit to Ottawa last week he booked two hundred and eighty horses. Many of these were to have shipped to Havre de Grace at the close of Ottawa and Blue Bonnets, but will remain over for the thirteen days racing here. The club has announced a stake for next year of greater value than any run on the Canadian circuit, the International Derby, entries for which will close in November.

WORK OF KING'S PLATERS AT MONTREAL.

Montreal, Que., September 1.—As the day for the opening of the autumn meeting of the Montreal Jockey Club draws near interest in the running of the King's Plate increases daily. The past week was an easy one for the nominees for the guineas now stabled at the course, as they were given only useful gallops and light work. This is due to the fact that the horses which have remained in Montreal all summer are in a well advanced condition and will not have to be hustled along between now and race day, Saturday, September 6.

The majority of the trials by the platers have been useful ones, although none of them has been set down and only one or two have gone the full distance of a mile and a quarter. The majority of the entries will get their final work on or about Wednesday. The going at Blue Bonnets shows improvement as compared with the spring meeting and if in the same condition on race day, a new record for the Plate will likely be established.

The most useful trials known of so far at Blue Bonnets are Floral Crown's mile, with his weight up, in 1:47⅗. This horse will carry top weight in the Plate, due to his having to pick up 5 pounds penalty. He is a blocky horse and may be able to shoulder the impost and run well with it. Irish Heart is known to have worked a mile in 1:47, going on the mile and a quarter in 2:18, eased up. He is also credited with having worked a faster mile than this.

Stoneycroft Star, which will carry the silks of A. Scott Ives, worked his best when he carried about five pounds, over his weight and went a mile in 1:47⅗, all out. This horse will show improvement over that work. Bacchante, owned by the Charlevoix Stable, has never gone further than a mile, the greater part of her work having been at six furlongs. Her best mile is said to have been done in 1:48. Bacchante has a habit of bearing out when overtaken by another horse in her work.

The others which have been fitted here have shown nothing to indicate that they will beat the above named. The "rail birds" are anxiously awaiting the arrival of Song Bird from Ottawa and Planover from Saratoga, as rumor has credited this pair with working some fast trials. The clockers claim that Song Bird worked a mile at Hamilton before being shipped to Ottawa in better than 1:44, while Planover is said to have gone a fast mile at the Spa.

The application of several trainers who will bring strings of jumpers here for the autumn meeting of the Montreal Jockey Club at Blue Bonnets have been received. Included in the number comes applications from former jockey Donohue, who is now training a publice stable; John Coyle, who trains the string of horses run under the name of Miss Chamblett, and Harry Rites, who trains a public stable. These horses will be shipped from Saratoga to Montreal at once. They will arrive here tomorrow, which will give them a rest of several days before being asked to race after the trip.

TROOPS LEAVE MINERAL SPRINGS TRACK.

After a conference with Governor Ralston, Adjutant-General McCoy yesterday recalled the Indiana troops from the Porter race track. Many horses are still quartered there.

PAN ZARETA AGAIN WINNER

J. F. NEWMAN'S CONSISTENT FILLY SCORES FOR THIRD TIME AT OTTAWA.

Incidentally Reduces Track Record for Five and One-Half Furlongs to 1:06⅘—Mediator Wins Race After Towton Field Goes Lame.

Ottawa, Ont., September 1.—J. F. Newman's Texas-bred filly, Pan Zareta, scored another victory at Connaught Park this afternoon when she beat a band of good racers in the Buckingham Handicap, a dash of six furlongs, in which she carried top weight. Pan Zareta came from behind, wore down the tiring Three Links and won going away by a length. The time, 1:06⅘, was fast for this track. Today's victory marked the third that Pan Zareta has scored during this meeting. Since coming to Canada she has not finished unplaced.

Labor Day saw a record-breaking crowd at Connaught Park. It was by far the largest gathering that ever witnessed racing at the new course. The day was a perfect one for outdoor sport, and with the good card offered and the track in excellent condition, a splendid afternoon's entertainment was enjoyed by those present.

The Greenville Purse, a dash of one mile, which divided interest with the Buckingham Handicap, went to Mediator. The latter was heavily backed despite his poor showing in his previous effort. Towton Field, the favorite, outran his company from the start and led until well within the final furlong, only to tire and pull up lame.

Gerrard, winner of the last race, was bid up from $500 to $800 and bought by S. Louis. P. M. Civill retaliated by claiming Love Day for $675.

Jockey Kederis was held accountable for the accident in the fourth race, in which Volita was interfered with and fell. The stewards fined Kederis $100 and suspended him for the remainder of the meeting.

John J. McCafferty who is in charge of the horses that Dr. J. S. Tyree is racing, will have one of the largest strings in training next season. During the past summer Mr. McCafferty made a trip through the different farms in Kentucky and picked up twenty of the choicest yearlings in the blue grass state. It is his intention to ship this band of youngsters to Charleston, together with the ten older horses in the Tyree stable. Among the youngsters that McCafferty picked up are a brown colt by Hastings—Josie L., the dam of Horron; four by Celt, one by McGee, five by Star Shoot, three by Glorifier, two by Voter, one by Marta Santa, one by Royal Flush III., and one by Garry Herrmann. McCafferty has refused an offer of $5,000 for the Hastings—Josie L. colt.

At the conclusion of the Canadian racing season, Fred W. Gerhardy will take a trip abroad. He will visit England, Germany and France. It is his intention to pay a visit while in France to his old employer, Gene Leigh. Mr. Gerhardy will return in time for the opening of the Norfolk meeting, with which he is connected as associate judge.

W. O. Joplin has added the two-year-old Star Shoot colt, Zodiac, to his string. He purchased the latter from Sam Louis on Saturday after Louis took him from P. M. Civill. Zodiac has been in half a dozen different stables during the past month.

News of the death of George Ham, trainer for William Gerst, was received with much regret by horsemen here this morning. Ham's death was due to an automobile accident. Shelby West, who was in the car with him, suffered a broken arm.

Hodge was excused from starting in the Buckingham Handicap by the judges. The colt was taken sick yesterday and was coughing this morning. Hodge won his last six races and is rated as the best two-year-old racing on the Canadian circuit just now.

John W. Schorr is making an effort to engage Jack McCormick to handle a division of his stable, and if he succeeds he will ship part of his string back to Canada.

AMERICAN TRAINERS ABROAD.

The typical American trainer, as represented to us some few years ago, with long hair, cadaverous face and a ceaseless flow of tobacco juice from his mouth, has never put in an appearance, to my knowledge. The Yankee trainers, as we knew them, were always men of intelligence, keen of brain and alert in manner. They are, for the most part, unassuming and democratic, are easily approached and treat those employed under them with every consideration. Above all things they are in no way given to "swank." They know every move in the game from A to Z and what the successful ones don't know with regard to stable management and care of delicate horses, besides being adepts in plating and shoeing horses, is not worth putting inside the lining of your hat. The first Yankee trainer recorded as practising his art in England was Miner, who came over with Mr. Ten Broeck in 1857 in charge of Lecompte, Prior, Prioress and others. Miner, like his compatriots, believed in long, slow work for horses, with plenty of sweating, a system which has been reversed by present day trainers, except in a few instances. J. Huggins, until he retired from training in 1909, was a staunch believer in the old system, and he won a number of races for Mr. H. B. Duryea prior to racing being stopped in the States.

American trainers have long since abandoned the old system of prolonged sweating gallops, and the work done is for the most part light, short and sharp. The great idea is to make the horses handy and not to get them to dislike their work on the track. Mr. John Huggins, who trained for Lord W. Beresford, had great success when in England. He trained on the lines of most English trainers and his were the only horses that wore hoods and quarter-sheets in the States. Much, of course, has been written of the success of Messrs. Duke and Wishard, who were able trainers.

Andrew Jackson Joyner, the owner-trainer, is a shrewd man. He had a successful career on the American turf before coming to England. He trained for Mr. Sydney Paget, an Englishman, who at one time owned a number of good horses. Joyner also trained for Mr. A. Belmont, for whom he won plenty of races. Joyner hails from one of the southern states and has been connected with the thoroughbred from childhood. He it was who gave the renowned Danny Maher his first lessons in the saddle.

Sam Hildreth is another successful trainer who owned and trained his own horses. He does all of his own shoeing and plating. He comes from the western States and trained in France for the late Mr. C. Kohler. There are a number of the Exiles of Erin training in America, the most prominent being Tom Welsh and J. S. Healy—Dublin Sport.

KING GEORGE AMBITIOUS TO WIN.

A cable from London says that King George has developed a devotion to racing equal to that of his father. He is dissatisfied with the performance of his present string of horses and has instructed Lord Marcus Beresford to buy for him half a dozen of the best yearlings obtainable at the forthcoming Doncaster sale. The list must include at least two Irish thoroughbreds. Lord Beresford has also bought for the king the well-known champion jumper, Twelfth Lancer.

TIMELY GOSSIP FROM KENTUCKY.

(Continued from first page.)

Harned & Jones, which half-brother to Sir Denrah worked a half in :49⅘.

Three stables of horses arrived at Douglas Park Saturday, they being those of Adair & Baker, Al Kirby and James S. Everman. The Adair & Baker lot came from Fort Erie, while the Everman string was from Windsor and those that Al Kirby came with were from J. B. Respess' farm in Kenton County. Adair & Baker brought High Private, Busy, White Wool, Samuel R. Meyer, Princeston, Coy, Lady Innocence and Effendi. Royal Tea, owned by this firm, will be shipped here later on from Latonia, trainer James Lally having had this performer in his care at that track. Jockey Roscoe Goose, who won the Kentucky Derby this season with Donerail, came with the Adair & Baker stable. Goose will remain at his home near the local tracks here until the time comes for him to go to Lexington to ride Thursday of next week, when the Kentucky fall racing season will be ushered in. Trainer Everman brought nine horses from Windsor, namely, Milton B., Flora Fina, Wander, T. M. Green, First Degree, Bittra, Mockery, Lady Charcot and Louise Paul.

The horses that J. B. Respess sent here in charge of trainer Al Kirby are the two noted old campaigners, Vreeland and Console, Richard Langdon and another maiden three-year-old by Marathon, and two maiden two-year-olds by Dick Welles. None of these has been in training since early last spring. Vreeland and Console appear to be in fine bodily condition to undergo racing preparation, but neither one of them will likely be raced this season until late in the fall.

Another arrival at Douglas Park was Tom Brown's Farmer Joe. The latter owner still has his well-known performer, Coppertown, in Canada, but that gelding will be shipped here at the close of the meeting now going on at Ottawa.

Manager John Hachmeister has received applications for stable room at Douglas Park from the following: Amos Turney, seventeen stalls; Gallaher Bros., ten stalls; James Everman, twenty horses (he has more than a dozen horses coming here from Latonia to add to those already here); F. J. Pons' twenty horses (additions to his stable, now here, being due from Ottawa, in Canada, and his Tennessee farm); E. W. Moore, eight horses; J. Schreiber and John Lowe, fifteen horses; F. J. Grefer, three horses; R. McMillan, eight horses; J. B. Respess, sixteen horses (his racing string being due here from Ottawa, Can., next week); T. P. Hayes and H. P. Headley, twently horses and R. R. Mackenzie, eight horses. With the horses now here and those to come from Lexington, Saratoga, Mineral Springs and other points, there will not be a vacant stall at Douglas Park and probably none at Churchill Downs either, when the local fall race season opens here on September 23.

W. W. Darden has arrived at Churchill Downs from Canada with Little Father, Fred Drew, Reciprocity and an unnamed two-year-old colt. Only three horses have reached either one of the local tracks from Mineral Springs, they being Harwood and Trojan Belle, owned by R. L. Rogers and Just Red, owned by Miller & Moreland. These found quarters at Churchill Downs.

NOTES OF THE TURF.

The thoroughbred mare, Sumptuary, by Ducat—Miss Whitemouse, was recently shipped to Honolulu. She had a filly at foot by Marse Abe and is again in foal to that horse.

T. C. McDowell's chestnut filly Corker was destroyed at Saratoga a day or two ago. The filly had been suffering from hemorrhages. She gave much promise in the early spring.

R. Crawford is the most promising apprentice riding at Vancouver, B. C. He is described as having a good seat and level headed. He is under contract to R. W. Vestal, a Texas owner.

The horses of Campbell & Gray are on the way from Vancouver, B. C., to Laurel. Included in the shipment are Gotellus, the champion two-year-old of the far west; Imprint, Tommie Thompson, Senator Owens and Cleopat. Jockey Burlingame, who heads the list of American riders for the season, comes east with the stable, being under contract to Guy Gray for the rest of 1913.

Thomas B. Jones, of Ashland Stock Farm, near Lexington, has sold the racing privilege to Theo. Abadie, of Louisville, of the yearling fillies, Fleetabelle, by Handsel—Mowitzka; Snip, by Nasturtium—Happy Kate, and Virginia Nell, by Nasturtium—Miss Eddie. Mr. Jones has also sold to Mrs. M. YANKEE NOTIONS ran well and will improve by this race. HONEY BEE closed a big gap from a poor beginning and so did TARTAR. SAND VALE was interfered with several times. JOE KNIGHT quit.

Winner—Ch. g, by Cunard—Sweet Alice (trained by C. Harmon).

Went to post at 3:36. At post 5 minutes. Start fair and slow. Won driving; second and third the same. BRADLEY'S CHOICE raced PUNCH BOWL into defeat in the first quarter, then took a good lead and tired in the stretch, but held on resolutely and outstayed SURPRISING at the end. SURPRISING moved into second place after passing the far turn and finished fast and but for bearing out in the last eighth might have won. RALPH showed much speed and held on well throughout. GAINER, well up throughout, showed a flash of speed in the stretch, then tired and dropped back. STAKE AND CAP closed a big gap from a poor start. SPEARHEAD had no mishaps. PUNCH BOWL set the early pace and quit badly.

Went to post at 4:02. At post 2 minutes. Start good and slow. Won easily; second and third driving. G. M. MILLER followed the pacemaker closely to the stretch, then took the lead and, after being hard ridden for an eighth, drew out to win going away. MISSION ran well up to the stretch, then closed up fast and passed BARNEGAT in the final strides. BARNEGAT had a winning chance when entering the stretch, but was pinched off by G. M. MILLER and FLAMMA and had to be taken up. FLAMMA ran well for three-quarters. WAR HORN was always outpaced and was extremely lame after the finish. BOB R. showed speed along the backstretch, but tired after passing the far turn.
